

Mergers and Acquisitions

Do you have what it takes to succeed in M&A?

Mergers and Acquisitions is a comprehensive, 4-day program designed to provide you with an understanding of both the strategic and financial aspects of mergers and acquisitions, and covers all key aspects of the process.

Participants will build a solid M&A basis through a combination of theory and practice in the form of case studies, group work and a negotiation exercise.

How you will benefit

- Analyze and understand the reasons for M&A
- Learn how to value a target
- Examine the effect of synergies
- Learn about financing the deal
- Explore closing and post-merger integration issues
- Gain practical experience in an actual case study
- Participate in negotiating a deal

Optional workshop for less experienced participants

For participants who do not already have a basic financial knowledge (needed for completing valuations), there is an optional workshop available at no extra cost. The workshop will be held in the afternoon and evening before Day 1 of the program.

“Great, balanced approach, both theoretical and interactive with case studies”
